

Pringle St. Culvert Project

Road Closure Traffic Management Plan

We will be scheduling a road closure on Pringle St. on Friday 10/13/23 for the headwall delivery and on Monday 10/16/23 for the excavation of the existing culvert and installing the new culvert. The hours on both days will be from 9 am to 2pm. For the east side of Pringle St. the detour signs will be at the intersection of South St. and Pringle St. For the west side of Pringle St. the detour signs will be at the intersection of Pringle St. and County Rd. Traffic will use Salem Rd. as the connector between South Rd. and County Rd. Detour signs will be placed at the intersections to alert traffic of the detour route. We will have 2 police details on site and road closed signs in place at the construction area. Tewksbury Police and Fire Depts. Will be informed of the road closure.
